

Acknowledgments

Many thanks go to **David Nelson**, Director of the School of Music for his support of this event. The Center is deeply grateful to **Bernhard Lang**, who a year ago began the arduous task of contacting the composers, gathering scores and making all arrangements for their visit from Austria; to **Dimitri Papageorgiou** who worked tirelessly on this end with Bernhard in following through on all details. Additionally, many thanks go to **Joachim Jung**, **Peter Lackner**, **Klaus Lang** and **Beat Furrer** who made the trip to Iowa City to attend the festival and work with the performers and student composers.

The Center is also grateful to the Millice Fund and **Alexander Kmentt** from the Austrian Cultural Institute in New York who underwrote much of the financial support for the festival. Finally, my deepest thanks to **Gertrud Champe** for her help in translating the Furrer text and for providing personal support to our guests, and to **Mona Shaw**, **Kathy Reeves** and **Kellie Kucera** for their invaluable secretarial support.

Finally, thanks go to all of the performers who took on the job of learning each work—without their efforts this program could not have happened.
